

Worksheet I:

KWL Chart

In the “K” column, make notes on what you already Know about tornadoes.

In the “W” column, write questions about tornadoes that you Want to have answered.

Leave the “L” column for answering the questions in the second column and noting other things you Learned about tornadoes from the materials you examined. You can add to the second and third columns throughout your work.

K – What I Know	W – What I Want to Know	L – What I Learned
